OFFICE OF ENGINEERING AND TECHNOLOGY

§0.31 Functions of the Office.

The Office of Engineering and Technology has the following duties and responsibilities:

(a) To evaluate evolving technology for interference potential and to suggest ways to facilitate its introduction in response to Bureau initiatives, and advise the Commission and staff offices in such matters.

(b) Represent the Commission at various national conferences and meetings (and, in consultation with the International Bureau, at various international conferences and meetings) devoted to the progress of communications and the development of technical and other information and standards, and serve as Commission coordinator for the various national conferences when appropriate.

(c) To conduct scientific and technical studies in advanced phases of terrestrial and space communications, and special projects to obtain theoretical and experimental data on new or improved techniques.

(d) To advise the Commission concerning engineering matters, including the privacy and security of communications, involved in making or implementing policy or in resolving specific cases.

(e) To develop and implement procedures to acquire, store, and retrieve scientific and technical information useful in the engineering work of the Commission.

(f) To advise and represent the Commission on frequency allocation and spectrum usage matters.

(g) To render, in cooperation with the General Counsel and the Office of Plans and Policy, advice to the Commission, participate in and coordinate staff work with respect to general frequency allocation proceedings and other proceedings not within the jurisdiction of any single bureau, and render service and advice with respect to rule making matters and proceedings affecting more than one Bureau.

(h) To collaborate with and advise other Bureaus and Offices in the formulation of technical requirements of the Rules.

(i) To administer parts 2, 5, 15, and 18 of this chapter, including licensing, recordkeeping, and rule making.

(j) To perform all engineering and management functions of the Commission with respect to formulating rules and regulations, technical standards, and general policies for parts 15 and 18 of this chapter, and for type approval and acceptance, and certification of radio equipment for compliance with the Rules.

(k) To maintain liaison with other agencies of government, technical experts representing foreign governments, and members of the public and industry concerned with communications and frequency allocation and usage.

(l) To calibrate and standardize technical equipment and installations used by the Commission.

(m) To exercise authority as may be assigned or referred by the Commission pursuant to section 5(d) of the Communications Act of 1934, as amended.

OFFICE OF GENERAL COUNSEL

§0.41 Functions of the Office.

The Office of the General Counsel has the following duties and responsibilities:

Federal Communications Commission

§0.51

(a) To advise and represent the Commission in matters of litigation.

(b) To advise and make recommendations to the Commission with respect to proposed legislation and submit agency views on legislation when appropriate.

(c) To interpret the statutes, international agreements, and international regulations affecting the Commission.

(d) To prepare and make recommendations and interpretations concerning procedural rules of general applicability and to review all rules for consistency with other rules, uniformity, and legal sufficiency.

(e) To conduct research in legal matters as directed by the Commission.

(f) In cooperation with the Office of Engineering and Technology, to participate in, render advice to the Commission, and coordinate the staff work with respect to general frequency allocation proceedings and other proceedings not within the jurisdiction of any single bureau, and to render advice with respect to rule making matters and proceedings affecting more than one bureau.

(g) To serve as the Commission's advocate for competition throughout the telecommunications industry and, specifically, to help to ensure that Commission policy development employs uniform or consistent analysis and that FCC policy encourages and promotes competitive market structures in affected industry segments by providing bureaus/offices with the necessary support to identify, evaluate, and effectively resolve competitiveness issues.

(h) To exercise such authority as may be assigned or referred to it by the Commission pursuant to section 5(d) of the Communications Act of 1934, as amended.

(i) To cooperate with the International Bureau on all matters pertaining to space satellite communications.

(j) To interpret statutes and executive orders affecting the Commission's national defense responsibilities, and to perform such functions involving implementation of such statutes and executive orders as may be assigned to it by the Commission or the Defense Commissioner.

(k) To perform all legal functions with respect to leases, contracts, tort claims and such other internal legal problems as may arise.

(l) To issue written determinations on behalf of the Chairman, and otherwise act as the Chairman's designee on matters regarding the interception of telephone conversations, as required by the General Services Administration's regulations. 41 CFR 201-6.202 *et seq.*

(m) To advise the Commission in the preparation and revision of rules and the implementation and administration of ethics regulations and the Freedom of Information, Privacy, Government in the Sunshine and Alternative Dispute Resolution Acts.

(n) To assist and make recommendations to the Commission, and to individual Commissioners assigned to review initial decisions, as to the disposition of cases of adjudication and such other cases as, by Commission policy, are handled in the same manner and which have been designated for hearing.

(Secs. 2, 3, 4, 5, 301, 303, 307, 308, 309, 315, 317, 48 Stat., as amended, 1064, 1065, 1066, 1068, 1081, 1082, 1083, 1084, 1085, 1088, 1089; 47 U.S.C. 152, 153, 154, 155, 301, 303, 307, 308, 309, 315, 317) [28 FR 12392, Nov. 22, 1963; 37 FR 19372, Sept. 20, 1972, as amended at 40 FR 17253, Apr. 18, 1975; 43 FR 29006, July 5, 1978; 44 FR 39179, July 5, 1979; 46 FR 57050, Nov. 20, 1981; 49 FR 47604, Dec. 6, 1984; 50 FR 2985, Jan. 23, 1985; 50 FR 49048, Nov. 29, 1985; 51 FR 12615, Apr. 14, 1986; 60 FR 5323, Jan. 27, 1995; 60 FR 34901, July 5, 1995]
